.....FRANCISIANS IN ACTION

1st JUNE- 1st OCTOBER-2024, VOLUME 7

# From the Principal's Desk

Dear Parents,

Warm greetings to all!

At the outset, I am pleased to announce that the construction of our new school wing is nearing completion, and we have already begun utilizing its state-of-the-art facilities. This significant milestone marks a new chapter in our growth. I extend my heartfelt gratitude to each of you for your unwavering support and encouragement, which has empowered the management to elevate our infrastructure to a level that rivals the finest schools in Bangalore.

The first term of the academic session 2024-25 at St. Francis has been nothing short of a vibrant mosaic, shaped by the skillful hands of our Francisians. It offers a breathtaking panoramic view of moments that have turned these past months into an enchanting journey of achievement and growth. As always, St. Francis has maintained its reputation for brilliance and distinction.

The results of Grade X were nothing less than exceptional. The Class of 2024 has undoubtedly raised the bar of excellence, setting a new benchmark for academic success. We extend our heartfelt congratulations to all Grade X students for their extraordinary performance. Their hard work and dedication have culminated in outstanding results, which are a true testament to their perseverance and commitment to excellence. We are immensely proud to witness their efforts bear such remarkable fruit.

Equally, this success would not have been possible without the unwavering dedication and tireless efforts of our teachers. Their guidance and encouragement have empowered our students to thrive, not just in examinations, but in their overall approach to learning. As I often say, hard work never betrays those who embrace it, and the results speak for themselves.

Our student body, with its boundless talent and enthusiasm, once again spun a vibrant web of creativity and excellence through numerous events. Celebrations like World Environment Day, Independence Day, Teacher's Day, and various Project Assemblies provided ample opportunities for Francisians to showcase their innate talents. Their passion for excellence was evident in every endeavor, creating an atmosphere charged with joy, color, and brilliance.

In the blink of an eye, four months have flown by, leaving us with a treasure trove of unforgettable memories. Our students' excellence extended beyond the classroom, with Francisians excelling in a multitude of inter-school competitions. Their prolific achievements in various domains have carved a niche for our school. From representing the Karnataka Region in the National Carom Competitions to our Karate Team's commendable performance with two bronze medals at the Nationals, St. Francis students have continued to bring pride to our institution.

We are equally proud of fostering an environment conducive to experiential learning. Student-centric activities, including projects, skill tests, role plays, and interactive sessions, breathed life into the learning experience. Our holistic blend of academic and co-curricular activities ensured that learning remained engaging, joyful, and meaningful.

As we bid farewell to this term, I extend my heartfelt gratitude to the management, faculty, students, and parents for their unwavering dedication and support. Your commitment has strengthened our shared pursuit of excellence, and I am confident that the rest of the academic year will bring even more success and joy.

Wishing you all a wonderful Dussehra celebration and a restful vacation!

Bro. Cletus N. CMSF  
Principal

# Summer Innovation

"A smooth sea never made a skillful sailor," and at St. Francis, we believe in challenging our students to push beyond their limits. With this philosophy in mind, the students of Grades X and XII were entrusted with project-based activities designed to ignite their scientific curiosity, foster critical thinking, and encourage divergent perspectives. Planned as a holiday assignment, these projects provided a unique platform for students to explore, innovate, and experiment. The outcome was nothing short of extraordinary! Their creativity and brilliance were showcased in awe-inspiring exhibits that left us truly amazed.

**Kudos to the students of Grades X and XII for their exceptional work and relentless pursuit of excellence!**

## A Day of Fun, Food, and Teamwork at Sportico!

Before the 2024 academic year kicked off, our teaching team, led by the principal, enjoyed a refreshing getaway to Sportico Resort on Malur Road, courtesy of the school management on May 30, 2024. The day unfolded with a delightful breakfast, followed by exhilarating games and competitive activities that energized us all. A sumptuous lunch, followed by snacks, capped off a culinary feast. But beyond the fun, the experience underscored the power of teamwork and unity, reminding us how collaboration outside the classroom enhances our ability to work seamlessly together inside it.

## Rev. Bro. Cletus: The Visionary Architect of Excellence

Rev. Bro. Cletus is a trailblazing leader who has woven an extraordinary legacy of brilliance at St. Francis School ICSE, Hongasandra. The new school-wing, equipped with cutting-edge facilities, stands as a testament to the foresight and innovation of this visionary. Known for his approachable demeanor and dynamic leadership, he's the beloved force behind SFS's success. A Principal par excellence, he relentlessly strives for transformative impact, fostering bold ideas and fostering creativity. His professional journey is studded with remarkable achievements, yet we believe his greatest triumphs are still on the horizon. On May 17th, 2024, we honored the legacy of a true pioneer.

## Orientation Session 2024 -2025

To kickstart the new academic year with vigor, a week-long orientation program was organized for the faculty, aiming to unify efforts in preparation for the 2024-25 academic session. The primary objective was to acquaint teachers with the upcoming academic requirements and establish a strategic plan of action. The four-day event was a dynamic blend of both enjoyment and productive engagement.

Each day began with an assembly led by the four houses and kindergarten teachers, revolving around themes that highlighted various educational challenges and key aspects of teaching. During the orientation, the Principal, Rev. Bro. Cletus, formally welcomed the newly inducted faculty members to the SFS family. He also introduced the office bearers of the four houses, heads of departments, and animators for grades 1 through 8. Additionally, board evaluators delivered detailed presentations outlining the new updates in correction and evaluation for their respective subjects.

The Housemistresses presented their comprehensive action plans for the academic year, ensuring alignment with the school's vision. The program concluded with the dual celebration of the Principal's birthday and a Teachers' Day outing, which strengthened the bonding within the Franciscan family, leaving everyone energized and ready for the year ahead.

## Celebrating Environmental Day: A Call to Action

The program featured an array of captivating performances, including a thought-provoking mime that conveyed crucial messages about environmental conservation. Students also dazzled the audience with energetic dance routines and heartfelt songs, all centered around the theme of caring for our Earth. A video presentation on protecting the environment further enriched the event, showcasing impactful visuals and inspiring actions we can take to make a difference.

A significant moment of the day was the inspiring message delivered by our Principal, Rev. Bro. Cletus. His address emphasized the urgency of environmental issues and encouraged everyone to take small but impactful actions in their daily lives to make a difference. This celebration served as a powerful reminder of our collective responsibility to safeguard the environment. As we reflect on this special day, we are motivated to continue our efforts toward creating a sustainable future for generations to come.

On June 11, 2024, our school auditorium came alive with enthusiasm and commitment as primary and high school students joined forces to celebrate Environmental Day. This event highlighted the importance of environmental awareness and the role we all play in protecting our planet.

# Igniting the Flame of Knowledge: A Sacred Start to the Academic Session 2024-25

On the 3rd of June 2024, St. Francis School marked its grand opening of the Academic Year 2024-25 with a heartfelt prayer service, embracing a divine moment that set a sacred tone for the new academic year. The service began with soul-stirring hymns that filled the air with a serene sense of spirituality, invoking blessings for a fruitful year ahead. As class teachers and class leaders stepped forward to light the candles, the room glowed with a warm, radiant light, symbolizing the spread of knowledge, hope, and new beginnings. Each flicker of the candle was a promise of unity, guiding students and teachers alike toward a path of enlightenment. The principal then delivered an inspiring message, emphasizing the importance of resilience, compassion, and excellence. His words echoed through the hall, infusing every heart with enthusiasm and purpose. This divine moment concluded with a sense of renewed spirit, setting a promising

## **A Tribute to Our Educators**

**On September 6, 2024, our school auditorium was filled with joy and gratitude as high school students organized a heartfelt celebration for Teachers' Day. The event honored the dedication and hard work of our beloved teachers, who shape the minds and futures of their students.**

**The program featured a vibrant array of performances, including lively dance routines, melodious songs, and engaging skits that showcased the impact teachers have on our lives. Each segment was infused with creativity and enthusiasm, reflecting the deep appreciation we hold for our educators.**

**A highlight of the event was the inspiring message delivered by our Principal, Rev. Bro. Cleetus. His words resonated with everyone in attendance, reminding us of the pivotal role teachers play not just in education but in our personal growth as well.**

**The celebration was a beautiful reminder of the gratitude we owe to our teachers for their unwavering support and guidance. As we look back on this special day, we are filled with appreciation and respect for those who dedicate their lives to nurturing the next generation.**

# Project Assembly- Term I-(2024- 25)

During the 2024 half academic year, departments such as English, Hindi, Kannada, History and Maths conducted vibrant project assemblies. These assemblies offered students a platform to showcase their talents and creativity through stage performances. In art-based subjects, students explored their potential through expressive presentations, while in science and math, they demonstrated a deeper understanding of concepts by explaining them through hands-on, practical demonstrations on stage. These assemblies helped students merge theoretical knowledge with real-world application, enhancing both their academic understanding and communication skills. By fostering teamwork and innovation, the assemblies also built students' confidence in presenting their knowledge in interactive and engaging ways.

## Birthday Celebration of Teachers

On the 12th of July 2024, St. Francis School witnessed its first staff birthday celebration of the academic year, an event bursting with joy and cheer. Hosted by the Celebration Committee, the day unfolded under the whimsical theme of Disney characters, transforming the venue into a magical wonderland. The grand cake-cutting ceremony was a highlight, with a beautifully crafted cake that sparkled as brightly as the smiles around it. Personalized greeting cards, filled with warm wishes and vibrant illustrations, added a heartfelt touch to the celebration. Laughter echoed through the hall during the lively guessing game, where everyone embraced their inner child. The event reached a crescendo with dazzling dance performances and melodious songs, filling the atmosphere with complete merriment. In a special tribute, Academic Coordinator Sir Johnchan 's birthday was celebrated under the theme "Ranganna" making the day even more memorable. The event left an indelible mark on the hearts of all who attended.

## INDEPENDENCE DAY CELEBRATION 2024-2025

Mahatma Gandhi's words, "A nation's culture resides in the hearts and in the soul of its people," rang true as the Franciscians of Hongasandra gathered to celebrate Independence Day. Just like in previous years, this year's celebration was a vibrant tribute to the tricolor and the spirit of freedom. The event commenced with Principal Rev. Bro. Cletus proudly hoisting the national flag, followed by an impressive parade by the four houses. In his address, the Principal underscored the significance of safeguarding the hard-earned freedom of the nation. School Captain Ms. Arkka Prakash further reflected on the profound importance of the day, reminding everyone of the sacrifices that underpin our liberty. The celebration was imbued with patriotic fervor, enriched by captivating dances and songs that echoed the nation's pride and unity.

# Onam Splendor!

Onam was celebrated with great gusto and vibrant enthusiasm on 27th September, transforming the day into a splendid blend of colors and joy. The festivities were a feast for the senses, with the beautifully crafted Aththapookkalam, the sumptuous Onasadhya, and the soul-stirring melodies of Onappattu setting the perfect tone. The grand arrival of Mahabali added a touch of tradition, while the lively Ona Kalikal games filled the day with laughter and excitement. It was, without a doubt, an exceptionally memorable and spectacular celebration, bringing the true spirit of Onam alive at St. Francis!

## Endnote: With Love, Wishes, and Prayers

Dear Francisians,

As we conclude the first term of our academic year, I would like to take this opportunity to express my heartfelt gratitude to each and every one of you.

Firstly, to our students: Your resilience, adaptability, co-operation and enthusiasm have been remarkable during this School building construction phase. Your cooperation and understanding have made this transition smoother and easier. Thank you for your patience, adaptability and flexibility.

To our teachers: Your dedication and commitment to providing uninterrupted education during the construction period last two years, despite the challenges have been exemplary. Your efforts have ensured minimal disruption to our students' learning experiences.

To our parents: Your support, cooperation, and trust in us have been invaluable. Your involvement in school activities, maintaining discipline during morning and evening hours and encouragement of our initiatives have made a significant difference in the school.

The construction of our new school building would not have been possible without your collective support. We appreciate your understanding regarding the inconveniences faced during this period.

As we break for Deshara vacation, I wish you all a wonderful and rejuvenating break. May this time with family and friends recharge your energies?

Thank you once again for your cooperation and support. We look forward to welcoming you back for the second term.

Happy Deshara vacation!
