Francisians in Action

VOLUME I, JUNE - 2026

ST. FRANCIS SCHOOL

Hongasandra, Begur Road, Bengaluru - 560068

(Permanently Affiliated to the Council for the Indian School Certificate Examination, New Delhi)

Message from the PRINCIPAL

Dear Students, Teachers and Parents,

It gives me immense pleasure to welcome you all to the new Academic Year 2026–2027. A new school year is more than the beginning of another chapter; it is a fresh opportunity to dream bigger, learn deeper, and grow stronger.

Our school has always been committed to nurturing not only academic excellence but also strong character, compassion, creativity, and resilience. Education is not merely the acquisition of knowledge; it is the cultivation of values that prepare young minds to become responsible citizens and compassionate human beings. We believe that every child possesses unique talents, and it is our privilege to provide an environment where these talents can flourish.

I encourage every Francisian to make the best use of every opportunity to learn, grow, and excel not only in academics but also in character, leadership, creativity, and service.

Success is truly meaningful when it is accompanied by compassion. While we remain focused on achieving our

goals, let us never forget those who are less privileged in abilities or circumstances. A helping hand, a kind word, or a gentle nudge of encouragement can empower someone to overcome challenges and climb the cliff of success. Dear students, I encourage you to approach each day with enthusiasm and confidence. Dream fearlessly, work diligently, and never hesitate to ask questions or explore new ideas. Believe in yourselves, for each one of you has the potential to make a meaningful difference in the world.

I gratefully acknowledge the commitment, passion, and tireless efforts of our teachers, which serve as the driving force behind our school's continued success and progress.

We are incredibly grateful to our parents for the trust, partnership, and constant encouragement that form the foundation of our school's collective growth.

As we journey through this academic year, let us uphold the values of integrity, respect, kindness, and responsibility. May our school continue to be a place where learning is joyful, friendships are cherished, talents are celebrated, and every child feels valued and empowered.

I wish each one of you a year filled with meaningful learning, remarkable achievements, good health, and abundant happiness.

May the Academic Year 2026–2027 inspire us to reach greater heights together.

- Principal -

A New Beginning: Welcoming the Academic Year

The new academic year commenced on 1st June with a solemn prayer service, marking the joyful reopening of the school after the summer break. Students of the Secondary and Higher Secondary sections gathered at 8:30 a.m., followed by the Primary section at 10:30 a.m., to seek God's blessings for a fruitful year ahead. The highlight of the celebration was the Light Sharing Ceremony, during which the Principal symbolically passed on the light of knowledge to the students, inspiring them to pursue wisdom, excellence, and values. The ceremony set a positive and uplifting tone, making it a memorable beginning to another promising academic year.

A Joyous Tribute to Our Beloved Principal

The school campus came alive with joy and gratitude on 3rd June as the St. Francis family celebrated the birthday of our beloved Principal, Rev. Bro. Cletus.

Although his birthday falls on 17th May, the celebration was postponed due to the summer vacation.

The vibrant programme was a heartfelt expression of love and appreciation for Bro. Cletus's inspiring leadership and unwavering commitment to the institution. Students and staff came together to thank God for his invaluable contributions, which have played a significant role in shaping the growth and success of our school. The colourful celebration, filled with prayers, performances, and warm wishes, made the occasion truly memorable and reflected the deep respect and affection the school community holds for its beloved leader.

Green Today, Better Tomorrow

The school enthusiastically observed World Environment Day with the theme "Inspired by Nature, for Climate, for Our Future."

The celebration was held on 5th June for the Secondary and Higher Secondary sections and on 10th June for the Primary section.

The programme was both educational and inspiring, creating awareness about the importance of protecting our environment. Through vibrant dances, action songs, thought-provoking speeches, and meaningful skits, students passionately expressed their commitment to conserving nature and building a sustainable future. The celebration served as a powerful reminder that every small step towards protecting the environment contributes to a greener and healthier planet.

Young Leaders Emerge: School Council Elections 2026-27

Democracy came alive on campus as the School Council Elections were conducted in two rounds, giving students an opportunity to showcase their leadership qualities. The preliminary round for the Primary Section was held on 10th June, while the High School preliminary round took place on 11th June. From 37 contestants in the Primary Section, five finalists advanced to the final round held on 16th June. In the High School Section, eight finalists were shortlisted from 27 contestants and competed in the final round on 15th June. Following a keenly contested election, Ishaan Roy and Sri Deyombara L. were elected as the High School Captain and Vice-Captain, respectively. In the Primary Section, D. Dora Jeraltina and Tejashree R. were elected as the Captain and Vice-Captain, respectively. The newly elected leaders will be formally entrusted with their responsibilities during the Investiture Ceremony, scheduled for 9th July (High School) and 10th July (Primary). We congratulate the young leaders and wish them success as they embark on their journey of leading with responsibility, integrity, and service.

Creativity on Display: Art & Craft Exhibition

The Art & Craft Exhibition, held on 20th June, showcased the remarkable creativity and innovation of the students of Grades X and XII.

As part of their holiday assignment, students displayed a wide range of impressive projects, including best-out-of-waste creations, Mandala art, educational learning games, artificial jewellery, working fountain and power generation models, fabric painting, creative photography, home décor items, and decorative candle stands.

The exhibition reflected the students' artistic talents, imagination, and practical skills, transforming everyday materials into beautiful and meaningful creations. It was an inspiring celebration of creativity, innovation, and learning beyond the classroom.

History Comes Alive on Stage

The History and Civics Project Assembly, held on 27th June, was a captivating showcase of learning, creativity, and historical appreciation. Students from Grades VI, VII, and VIII brought significant chapters of India's rich past to life through engaging presentations. Grade VI highlighted the ancient Gurukula System of Education, emphasizing its values and traditions. Grade VII presented The Glory of Vijayanagara-Wisdom and Wit. Grade VIII reenacted the First War of Indian Independence (1857), vividly depicting the courage and sacrifice of India's freedom fighters. The assembly was an enriching and memorable experience, transforming history from textbook pages into powerful live performances. It left the audience with a deeper understanding of India's glorious heritage and the timeless values it continues to inspire.

A Blessed Beginning for Our Little Stars

The Kindergarten Prayer Service for the academic year 2026–27 was held on 8th June in the St. Francis School Auditorium, marking a joyful and prayerful beginning to the new academic year.

The programme featured prayers, hymns, Bible readings, inspiring thoughts, and the symbolic Lighting of the Lamp and Sharing of the Light, signifying the pursuit of knowledge, peace, and unity. The highlight of the celebration was the inspiring address by Rev. Bro. Cletus, Principal, who encouraged the young learners to grow in wisdom, discipline, and kindness. The meaningful ceremony concluded with a vote of thanks, the school pledge, and the school anthem, leaving everyone with hope and enthusiasm for a successful academic year.

Little Hands, Big Hearts for Nature

The Kindergarten students of St. Francis School celebrated World Environment Day with great enthusiasm on 19th June 2026, spreading the message of environmental conservation through prayers, songs, dances, and a thought-provoking skit. The programme encouraged the young learners to develop eco-friendly habits and become responsible caretakers of nature.

The highlight of the celebration was the planting of a sapling by our Principal, Rev. Bro. Cletus, symbolising hope for a greener future. His inspiring message motivated the children to love, protect, and preserve the environment. The celebration concluded with a procession and the National Anthem, leaving everyone inspired to nurture the Earth with care and responsibility.

Building Futures with New Studio and Lab Facilities

Blessing of the New Computer Laboratories

The school proudly inaugurated its newly established state-of-the-art Computer Labs, marking a significant step towards strengthening digital education. The facilities were solemnly blessed by Rev. Fr. John Bosco in the presence of the Principal, staff, and students. Equipped with modern computers and advanced technology, the new laboratories will provide students with enhanced opportunities to develop digital skills, foster innovation, and prepare for the demands of the technology-driven world. This initiative reflects the school's commitment to providing quality education through modern infrastructure.

A New Media Studio for Creative Learning

A new Media Studio was blessed and inaugurated on the school campus, creating an exciting space for creativity and communication. Designed to support photography, videography, digital content creation, and school media initiatives, the studio will enable students to develop valuable communication and technical skills. The addition of this facility is another milestone in the school's mission to nurture creativity and equip students with the competencies needed in the modern digital era.

Blessing of the New Bus

We are thrilled to welcome a brand-new air-conditioned bus to our school fleet! Student safety and comfort are always our top priorities, and this new ride ensures a cooler, smoother, and more reliable commute. Here's to safer journeys ahead!
